THE INNOVATORS OF COMFORT™

Togetherness starts with comfortable seating. At Stressless, we infuse our Norwegian-crafted recliners, office chairs, sofas and dining chairs with our innovative Plus™, Glide™ and LegComfort™ comfort technologies, making them places where you, your family and friends will want to gather. Sit in one and you'll truly understand.

FROM OUR FJORD TO YOUR HOME

Crafting furniture is wound deeply in our Nordic roots and tells the story of who we are. Fine furniture is an art passed down from generation to generation with a rich history of trials and tribulations. The design, the craftsmanship and the attention to detail has evolved and grown to become the most comfortable seating in the world.
